FROM THE DESK

“ I thank them (Madhavbaug family) for taking their Employees dedication to new heights this past year as they worked towards meeting and overcoming the challenges and ensured uninterrupted operations and health care treatments to patients when they needed them the most.”

Dear Shareholders,

Let me begin by wishing all of you good health and safety in these challenging times of COVID-19, series of waves of Covid during the Financial Year 2021-22 has affected us all in some way or the other and many of us lost our loved ones in the unprecedented times.

I would also like to place on record my appreciation of the entire Madhavbaug family who have risen to meet the challenges which this pandemic threw up over the year. On behalf of the Board of Directors of Vaidya Sane Ayurved Laboratories Limited, yours Madhavbaug, I thank them for taking their Employees dedication to new heights this past year as they worked towards meeting and overcoming the challenges and ensured uninterrupted operations and health care treatments to patients when they needed them the most.

Working collaboratively with the Central and State Governments, Madhavbaug ensured full compliance with all institutional guidelines, prioritising, and maintaining Employees, patients and other stakeholder's safety, as protocols for management of patient care and hospital, clinics operations evolved continuously throughout the past year.

In the last one year, your company has successfully treated 17382 patients through its care clinics and Hospitals and has witnessed gross revenue growth of 43% to 7,504.93 Lakhs in FY 2022 as compared to 5,237.73 Lakhs in FY 2021 and net profit growth of 785% to 346.89 Lakhs in FY 2022 as compared to 39.2 Lakhs in FY 2021.

MAJOR MILESTONES:

Listing of securities on Stock Exchange:

The Company launched IPO in the Feb-2022 and is now listed on Emerge platform of National Stock Exchange of India Limited (NSE). The response to the IPO was very overwhelming. Even in the tough situation of Russia-Ukraine war, Investors and Market shown its trust on the brand of Madhavbaug, where Shares were listed with over 40% premium from its offer price. We are very thankful for the support and guidance provided by the Merchant Bankers, Consultants, Bankers and NSE Representatives. This successful IPO is one of the Biggest Achievement in the lifetime of the Company.

The SME listing has added more responsibility over the shoulders of Management for fulfilling expectations of investors and other stakeholders. With this listing, The Board of the Company has now expanded, independent Board provides timely valuable suggestions in view of company's growth and business. As listed company, Madhavbaug adheres to maintain Corporate Governance with compliance with norms of Securities and Exchange Board of India (SEBI) and National Stock Exchange of India Limited (NSE)

Association with Raphacure, a Leading healthcare management Company:

I am pleased to share that our collaboration with Raphacure, Bangalore based Healthcare Management Company for Pathology and investigation services has immensely helped the company to provide innovative healthcare services to patient's at its doorsteps where it allows patients to give various pathology tests at their house.

New Business Vertical-Joint Healing:

At the end of March 2022, Company has introduced its new business vertical with newly incorporated Subsidiary namely Joint Healing Services Private Limited, with a mission to remove the dependency of any kind of medication by making correct and positive changes in lifestyle, it offers advanced research based non-surgical treatment techniques to reduce your musculoskeletal pain and improve daily function; the entire program is designed based on recent research protocols and guidelines from various health organizations globally.

Tele-Medicine:

Telemedicine has been introduced with a view to cater health care services to patients with aim that no patient shall be deprived for the necessary treatment due to geographical barriers, with help of Tele-medicine, Madhavbaug would be providing tele-consultation through digital means like Email/ WhatsApp/ on call/ Video calls etc., which will ensure better patient acquisition without geographical barriers.

Exponential Research:

TRANSFER TO RESERVES:

The Board of Directors has transferred net profit of the year ₹ 346.89 Lacs to General Reserve maintained by the Company.

STATE OF AFFAIRS AND FUTURE OUTLOOK:

Madhavbaug has aligned its strategic design of business with Global targets of World Health Organisation for Prevention and Control of Non Communicable Diseases. Madhavbaug's Mission 2025 is commitment of reducing mortality due to non-communicable diseases (NCDs) like cardiovascular diseases (CVDs) and diabetes by 25% by 2025.

CVDs account for 31% of global deaths: this amounts to 17.5 million people losing their lives every year. Over 75% of CVD deaths take place in low and middle-income countries, which carry heavy socio-economic burdens associated with CVD. India is a developing country with about 68.84% population living in rural region with limited access to healthcare resources.

Therefore, to reduce the global burden of NCDs and achieve the World Heart Federations target of "25by25" (25% reduction in NCDs by 2025), Madhavbaug has aligned to the objectives of WHO and World Heart Federation to address the risk of CVDs in all strata of society.

In addition to above, Driven by growing market opportunities along with the organic growth, Madhavbaug strives to meet inorganic growth strategies and increasing the international presence.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. INDUSTRY STRUCTURE AND DEVELOPMENTS:

Healthcare is one of India's largest and significant sector, both in terms of Revenue and Employment. Healthcare comprises hospitals, medical devices, clinical trials, outsourcing, telemedicine, medical tourism, health insurance and medical equipment. The Indian healthcare sector is growing at a agile pace due to its strengthening coverage, services and increasing expenditure by public as well private players.

Indian Healthcare Infrastructure is broadly categorised into two major components public and private. The Government, i.e. public healthcare system focuses on providing basic healthcare facilities in the form of primary healthcare centres (PHCs) in rural areas and private sector provides majority of healthcare services in metros and Tier I and Tier II cities.

In Union Budget 2022-23, INR 86,200 crores has been allocated as a budget for the healthcare sector. With Government also announcing INR 4,176 crores proposed to be transferred to the states for supporting wellness centres, setting up of integrated public health labs and critical care hospital blocks in districts with a population of more than 5 lakh, under Pradhan Mantri Ayushman Bharat Health Infrastructure Mission.

Company being in the business of providing healthcare and wellness services through Ayurved therapies & treatment and Ayurved is an alternative medicine system with historical roots in India. Ayurveda is globally acclaimed for its preventive healthcare properties and treatment of many chronic lifestyle disorders. The Indian Ayurveda industry has several large players, with other small scale players capturing 80% market share. Ayurveda is witnessing a resurgence in India because people have accepted this as a way of life as opposed to the earlier notion of Ayurveda as an alternative area of medicine.

Diabetes has become a global problem and the epidemic is most pronounced in South East Asia particularly India where an estimated over 72 million people are believed to have diabetes and another over 80 million have pre-diabetes. More than 90 - 95% of all patients with diabetes have type 2 diabetes. The treatment of type 2 diabetes has undergone rapid changes in the last decade, and several new drugs have been introduced in the market.

Hypertension is the number one health related risk factor in India, with the largest contribution to burden of disease and mortality. It contributes to an estimated over 1.6 million deaths annually in India, due to ischemic heart disease and stroke . 57% percent of deaths related to stroke and 24% of deaths related to coronary heart disease are related to hypertension . Hypertension is one of the commonest non-communicable diseases in India, with an overall prevalence of 29.8% and a higher prevalence in urban areas 33.8%, according to recent estimates. India's demographic transition with an increasing proportion of elderly people and a sedentary lifestyle and obesity associated with increasing urbanisation, and other lifestyle factors like high levels of salt intake, alcohol and tobacco consumption, are contributing to this burden of hypertension.

Nearly 63% of total deaths in India are due to non-communicable diseases, of which 27% are attributed to cardiovascular disease which affects 45% people in the 40-69 age group. Raised blood pressure is among the most important risk factors for CVDs. Moreover, it remains poorly controlled due to low awareness about hypertension, lack of appropriate care through primary care and poor follow up.

Individuals at risk of CVD may demonstrate raised blood pressure, glucose, and lipids as well as overweight and obesity. Identifying those at highest risk of CVDs and ensuring they receive appropriate treatment can prevent premature deaths. Access to essential NCD medicines, therapies, treatment and basic health technologies in all primary health care facilities is essential to ensure that those in need receive treatment and counseling, that's where Madhavbaug comes into picture.

Madhavbaug has always been striving to improve Lifestyle of patients by curing and treating Lifestyle disorders like Diabetes, Hypertension, obesity etc. with optimum combination of modern technology and traditional Ayurved therapies & wellness treatments.

Madhavbaug has aligned itself with commitment to reduce mortality due to non-communicable diseases (NCD) like cardiovascular diseases (CVDs) and diabetes by 25% by 2025 and Madhavbaug has established a Madhavbaug Ecosystem under which various campaigns like Arogyam Hriday Sampada for spreading awareness of heart disease and lifestyle disorders focused mainly on senior citizens who are vulnerable to cardiovascular diseases, it includes educative seminars, interactive lectures, and public screenings for prevention of CVDs and early detection of heart disease.

2. OPPORTUNITIES AND THREATS:

Opportunities:

➤ Insurance Companies Empanelment:

Madhavbaug seeks to get empaneled with various insurance companies to provide access of Company's comprehensive set of Ayurvedic treatments and wellness therapies to its policyholders, and other stakeholders.

➤ Corporate Tie-ups:

Madhavbaug envisages tie-ups with corporate giants to provide its state of the art healthcare services to their employees and stakeholders, These Tie-ups shall help your company to cater the services at large which result into the reduction of mortality due to up scaled modern corporate lifestyle.

➤ Partnerships with Pharma Institutions:

Company plans to have partnership/ association with the various Pharma institutions on co-treatment model.

➤ NABH Accreditation:

Madhavbaug Clinics and Hospitals has also applied for National Accreditation Board for Hospitals and Healthcare providers (NABH) where it will ensure clinics and Hospitals provides quality healthcare as per Global standards and it is considered as a mark of international recognition for any Hospitals.

➤ Technology Advancement:

We believe technology plays a vital part in the overall operation of business of the Company and Modern diagnostics, advanced Monitoring tools, advanced Ayurveda along with other co-related technology driven software and mobile applications helps in overall improvement in investigations, diagnosis as well as effective treatment of patients.

➤ Online Market Space:

Considering our business model, we foresee online market space much captivating and establishing online market places for retail sale of company's research based Ayurvedic medicines is under way.

➤ New Patient Acquisition:

We envisage to Open Franchisee OPD clinics in Tier II & III cities to increase reach to new patients. New patient acquisition shall be significant pillar in the overall progress of the company.

4. OUTLOOK:

Madhavbaug with aim to reduce the global burden of Non Communicable Disease and achieve the Company's target of "25by25" (25% reduction in NCDs by 2025), Madhavbaug has aligned to the objectives of World Health Organisation (WHO) and World Heart Federation to address the risk of CVDs in all class of society.

We aim to achieve our mission through a detailed strategy by keeping WHO recommendations in view. These include:

- Developing national multispectral NCD action plan
- Establishing high-level multispectral mechanisms that facilitate and endorse the prevention and control of NCDs – Through integration of technology and Madhavbaug's 10 years of operational experience.
- Creating and strengthening surveillance and monitoring systems for patients that qualify for high risk of CVDs.

- Strengthening and training of health workforce and the scientific basis for decision-making through NCD related research and partnerships.
- Mobilizing and tracking domestic and external resources for NCD prevention and control, including through innovative financing mechanisms
- Financing and implementing cost-effective interventions for each voluntary target at the national level, according to country needs and priorities.
- Researching novel products for disease reversal

In addition to the above, by end of year 2025, Madhavbaug envisage to enroll 2 Lakhs patients p.a. along with 600 care centres as compared to 80-90k patients p.a. with 270 care centres currently.

Inorganic Growth: Madhavbaug has identified current market scenarios and business requirement necessitates inorganic growth for the company. Acquisitions of stake in companies with wide spread distribution channels; call centres, food and medicine manufacturers etc. can be considered as key to such growth.

International Presence: With the mandate of promotion and recognition of AYUSH in the international practice of medicines, Ministry of AYUSH has signed Memorandum of Understandings (MOUs) with various countries, experts are deputed to foreign countries to participate in international meetings, conferences, training programmes, seminars and on special assignment of the Government of India for promotion and propagation of AYUSH Systems including Ayurveda. With growing demand for traditional treatment and therapies, Madhavbaug shall strive to put scientific evidence based Ayurveda on Global map.

5. RISK & CONCERNS:

Risks	Impact	Mitigations
Brand Image	Our business and prospects may be adversely affected if we are unable to maintain and grow our brand image and further, as we expand into new geographic markets within India, and as the market becomes increasingly competitive, maintaining and enhancing our brand image may become costly and difficult.	Our brand and reputation are critical for the success of our business and operations, through various brand outreach programs proposed in upcoming year, we intend to enhance and to improve brand awareness.
Innovation in Technology	Failure to adapt evolving changes of technologies in medical equipment may keep our present equipment obsolete and affecting our competitiveness and consequently our financial position	Continuous research, adapting new and advanced technology, further investments thereto and alteration business strategies as and when required, will allow us to maintain market position.
Non- Contractual Arrangement with Doctors at company owned clinics and Doctors	Since we have not entered into any firm contractual agreement with our panel of doctors we cannot assure that the services of these doctors would be continuously available to us in future.	Terms & conditions for services of Doctors at clinics and Hospitals are governed by Appointment letters, company may choose to bind them with contractual obligations or more elaborative conditions of service in Appointment letter
Insurance Claim	Out Patient Department (OPD) providing Ayurvedic treatment are not covered by Insurance companies, this put in a disadvantage position as compared to our allopathic counterparts.	Our Management continuously striving and presenting before health insurance companies to cover certain of our treatments and therapies under their insurance claims, as of now, there are no successful engagement in this regard However, Our Management remains optimistic about this.

6. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has a well-established and comprehensive internal control system and structure across the value chain to ensure that its assets are safeguarded, transactions are authorized, recorded and reported correctly and operations are conducted in an efficient and cost-effective manner.

In order to ensure orderly and efficient conduct of business the company has put in place systems which include policies and procedures, IT systems, delegation of authority, segregation of duties, internal audit by Third party and review framework etc.

7. DEVELOPMENTS IN HUMAN RESOURCES:

Your Company places great emphasis on the contribution of its employees and recognizes them as key assets for the business performance. During unprecedented COVID-19 pandemic, the entire organisation worked as a single cohesive unit, coming out with some highly innovative ideas to support our clinics and patients to ensure business continuity and to leave no stone unturned in providing healthcare services to Patients in such difficult times.

As of March 31, 2022, the Company had 604 full time employees. Your Company sought to obtain a performance-oriented culture and implemented a robust performance management system in our last fiscal year. The Company devised a process to develop training and development programs for different levels of employees. These programs help in identifying and developing the internal talent pool for critical positions in the organization.

INDEPENDENT AUDITOR'S REPORT

To the Members of Vaidya Sane Ayurved Laboratories Ltd (Erstwhile known as Vaidya Sane Ayurved Laboratories Pvt. Ltd.) Report on the Audit of the Financial Statements

OPINION

We have audited the accompanying financial statements of **Vaidya Sane Ayurved Laboratories Ltd (Erstwhile Vaidya Sane Ayurved Laboratories Pvt Ltd)** ('the Company'), which comprise the Balance Sheet as at 31st March 2022 the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Accounting Standards prescribed under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 (as amended), of the state of affairs of the Company as at 31st March 2022, and its profit/loss and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's Board of Directors is responsible for the other information. Other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. Reporting under this section is not applicable as no other information is obtained at the date of this auditor's report.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing (SAs), we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and by Board of Directors in the terms of the requirement specified under Regulation 33 of the Listing Regulation.
- d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 3 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of **Vaidya Sane Ayurved Laboratories Ltd. (Erstwhile known as Vaidya Sane Ayurved Laboratories Pvt Ltd)** of even date).

Report on the Internal Financial Controls under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the internal financial controls over financial reporting of **Vaidya Sane Ayurved Laboratories Ltd. (Erstwhile known as Vaidya Sane Ayurved Laboratories Pvt Ltd)** ("the Company") as of March 31, 2022 in conjunction with our audit of the Financial Statements of the Company for the financial year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertains to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The financial statements of the Company have been prepared on an accrual basis and under the historical cost convention except for certain financial instruments which have been measured at fair value. Historical cost is generally based on the fair value of consideration given in exchange of goods and services. The accounting policies are consistently applied by the Company during the period and are consistent with those used in previous year except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Further, the guidance notes /announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable except to the extent where compliance with other statutory promulgations override the same requiring a different treatment.

2. SIGNIFICANT ACCOUNTING POLICIES:

a. Statement of compliance

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP) to comply in all material aspects with the Accounting Standards specified under Section 133 of the Companies Act, 2013 (the 'Act'), read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended).

b. Use of estimates and judgment

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of revenues and expenses for the year. These estimates and underlying assumptions are reviewed on an ongoing basis.

Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these estimates, judgments and assumptions may result in the outcome that may require material adjustment in the carrying amounts of assets and liabilities in future period.

Estimations which may cause material adjustment to the carrying amounts of assets and liabilities within next financial year is in respect of useful lives of property, plant and equipment, valuation of deferred tax assets, provisions and contingent liabilities and fair value measurement of financial instruments have been discussed below.

c. Estimation of uncertainties relating to Covid-19 pandemic

The Company has considered the possible effect of Covid-19 pandemic on the carrying amounts of receivables, property, plant and equipment, advances etc. In ascertaining the effect of the pandemic, the Company has used internal and external sources of information including economic forecasts by national and international organizations and has accordingly made necessary adjustments in the carrying amounts of assets. The Company has also made provision in respect of onerous contracts. Considering the nature of pandemic, its impact cannot be reliably ascertained.

d. Property, plant and equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment loss, if any. The cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED MARCH 31, 2022

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under other non-current assets and the cost of assets not ready to use before such date are disclosed under 'Capital work-in-progress'.

Subsequent expenditures related to property, plant and equipment is capitalized only if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs of items of property, plant and equipment are recognized in the statement of profit and loss when incurred.

Gains or losses arising from of fixed assets are measured as the difference between the net proceeds and carrying amount of the asset and are recognized in the statement of profit and loss when the asset is recognized.

e. Inventories

Inventories are valued at the lower of cost or net realizable value. Cost includes purchase price, duties, transport, handling costs and other costs directly attributable to the acquisition and bringing the inventories to their present location and condition.

The basis of determination of cost is as follows:

- Stores and spares and consumables valued on cost plus incidental overheads basis; and
- Finished goods valued at lower of cost or net realizable value. Cost is determined on FIFO basis.

f. Intangible Assets

Intangible assets including software licenses of enduring nature and acquired contractual rights separately are measured on initial recognition, at cost. Intangible assets are carried at cost less accumulated amortization and impairment losses, if any.

Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Cost of internally generated intangible assets comprises all directly attributable costs necessary to create, produce, and prepare the asset to be capable of operating in the manner intended by management.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is recognized.

Capitalized development cost is carried at cost less accumulated amortization and impairment losses, if any. Intangibles under development include cost of intangibles that are not ready to be put to use.

g. Depreciation and amortization

Depreciation has been provided on Written Down Value method on all assets as per Useful lives prescribed under Schedule II of Companies Act 2013. Depreciation on assets added during the year has been provided on pro-rata basis from the date of addition. Depreciation on deductions during the year is provided on pro-rata basis up to the date of sale. Individual assets whose cost does not exceed 5,000 are depreciated at 100%.

Asset	Useful lives
Computers	3 years
Servers	6 years
Software	5 years
Office equipment	5 years
Plant & Machinery	10 years
Furniture & Fixture	10 years
Building	60 years
Intangible assets	5 years

h. Revenue recognition

Revenue is Recognized Limited to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and it is reasonable to expect ultimate collection.

Sale of Goods

Revenue is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED MARCH 31, 2022

Income from Services

- Revenues from professional services are recognized as and when services are rendered.
- Services of franchisees are recognized on the basis of the agreements and schedules of franchisee payment.
- Packages sales are recognized on time proportionate basis over the period of treatment.

Interest

Revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

i. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consists of cash and short-term deposits, as defined above, net of outstanding bank overdrafts and cash credit facilities as they are considered an integral part of the Company's cash management.

j. Investments

Investments in other equity instruments Investments in equity instruments which are held for trading are classified as at fair value through profit or loss ('FVTPL'). For all other equity instruments, the Company makes an irrevocable choice upon initial recognition, on an instrument by instrument basis, to classify the same either as at fair value through other comprehensive income ('FVTOCI') or fair value through profit or loss ('FVTPL'). Amounts presented in other comprehensive income are not subsequently transferred to profit or loss. However, the Company transfers the cumulative gain or loss within equity. Dividends on such investments are recognized in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment.

k. Employee benefits

(i) Gratuity

The Company provides for Gratuity, covering eligible employees under Company Gratuity Scheme. On reporting date, liabilities with respect to gratuity plan as determined by an independent actuarial valuation and actuarial gains/losses are charged to the Statement of Profit and Loss Account. The Company recognizes the net obligation of a defined benefit plan in its Balance Sheet as liability and as per the requirements of AS15 (Revised 2005).

(ii) Short-term Employee Benefits

All employee benefits payable within twelve months of rendering the service are classified as short-term benefits. Such benefits include salaries, wages, bonus, short term compensated absences, awards, ex-gratia, performance pay etc. in the period in which the employee renders the related service. A liability is recognized for the amount expected to be paid when there is a present obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(iii) Compensated absences

The Company provides accumulating and non-accumulating paid absences such as annual leave, sick leave and casual leave.

Compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as undiscounted liability at the balance sheet date. Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as an actuarially determined liability at the present value of the defined benefit obligation at the balance sheet date.

l. Borrowing costs

Borrowing costs are capitalized that are directly attributable to the acquisition, construction or production of a qualifying asset as part of the cost of that asset. Other borrowing costs are recognized as an expense in the period in which it is incurred.

m. Segment Reporting

According to AS 17 primary segment is specified as business segment. The primary segment reporting format is determined to be business segments as the company's risks and rates of return are affected predominantly by differences in the products and services produced. The operating business are organized and managed separately according to the nature of the products & services provided, with each segment representing a strategic business unit that offers different products & serves different markets.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED MARCH 31, 2022

n. Leases

Company as a lessor

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Profit and Loss account on equalized basis over a lease period.

o. Earnings per share

a. Basic Earnings per Share

Basic earnings per share is calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the financial year. Earnings considered in ascertaining the company's earnings per share is the net profit for the period after deducting any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

b. Diluted Earnings per Share

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

p. Income Taxes

(i) Current tax:

Current tax is the amount of tax payable based on the taxable profit for the year as determined in accordance with the applicable tax rates and the provisions of the Income tax Act, 1961.

Current tax assets and current tax liabilities are presented on the net basis in the balance sheet after off-setting current tax paid against income tax provision only if the Company has a legally enforceable right to set off the recognized amounts and it intends either to settle on a net basis.

Minimum alternate tax (MAT) paid in a period / year is to be charged to the statement of profit and loss as current tax. MAT credit is not available as the company has applied for 115BBA with the effective tax rates of 25.17%. According to the said section of Income Tax Act 1961 and rules made thereunder, company is not eligible to recognize MAT as an asset.

(ii) Deferred Tax:

Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable timing / temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized, except:

- When the deferred tax asset relating to the deductible temporary differences arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are derecognized only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Recognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED MARCH 31, 2022

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Current and deferred taxes are in the statement of profit and loss, except to the extent that it relates to items in other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

q. Provisions and contingent liabilities

Provisions are recognized when the Company has a present, legal or constructive obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, and a reliable estimate of the amount of the obligation can be made. Provisions are determined based on the best estimate required to settle the obligation at the Balance Sheet date. Provisions are reviewed at each Balance Sheet date and adjusted to reflect current best estimates.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expense.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. A disclosure for a contingent liability is made where there is a possible obligation arising out of past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation arising out of a past event where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

r. Cash and cash equivalents

Cash and cash equivalents in the cash flow statement comprises of cash at bank, cash in hand and short term deposits with an original maturity period of three months or less.
